

THE ALLIANCE FOR INTERNATIONAL EDUCATION

The time has come for individual and organizational partners to put their heads together to found an *ALLIANCE FOR INTERNATIONAL EDUCATION* to foster reflection as well as action. A Conference is planned which will create the opportunity for such reflection and will act as a forum for international and intercultural exchange.

EDUCATION FOR INTERNATIONAL MINDEDNESS

will be the theme of this conference, to take place in the cosmopolitan city of Düsseldorf,

Germany, 1st - 3rd October 2004

Topics will include

Citizenship and Global Issues, Understanding Cultures and Religions, Examples of Partnerships for International Education, Speaking a Common Language, Peace Education and Conflict Resolution, Leadership and Management in International Education, The Alliance and its Website.
