

## **Pilot Benchmarking Study**

**Graves A, Sheath D and Rowe D**

Agile Construction Initiative, School of Management, University of Bath

### **Abstract**

Based on recommendations from the Benchmarking Action Group of the GCCP, the Agile Construction Initiative was commissioned to carry out this pilot study measuring key aspects of performance on Government construction projects. Data was collected on 60 Government projects having a combined value in excess of £500 million from eight Departments.

### **Keywords**

benchmarking; public sector; procurement; risk management; good practice; construction
