1. REGISTRATION

1.1 All students, both undergraduate and graduate, are required to register at the beginning of each academic year. The days on which students shall register will be announced by the University. In exceptional circumstances a student may be permitted at the discretion of the Director of Academic Registry to register on a day other than an appointed day and in such cases an additional fee may be charged to the student. Only those who have registered shall have the rights and privileges of students and members of the University.

All persons entering the University as students shall, at the time of registration, sign a declaration in the following terms:

'I agree to conform to all the statutes, ordinances, regulations and rules of the University for the time being in force and I accept responsibility for any loss or damage to University property rightly attributable to me.'

1.2 At the time of registration students shall provide full and accurate information concerning all required personal and academic details and shall state their address during the academic year as well as their permanent address, in accordance with procedures prescribed by the Director of Academic Registry. Students must comply with all subsequent requests from University staff for proof of any changes to required personal details and are required to update their contact details, normally via the Registration On Line system, as soon as possible when any of these details change. Students failing to do this or who can be shown to have provided false or misleading information as part of an application or subsequent registration will be subject to action.

1.3 Students, including those away from the University on placement, are required to access at regular intervals the email account provided to them by the University, and to ensure that it remains within its permitted capacity and able to receive mail. Students failing to do this may be subject to action under the Disciplinary Regulations for Students (Regulations 7 and 8). The account will be used by the University to communicate important information about registration, unit-enrolment, assessment, degree ceremonies and other matters. Students who have failed to access their account or who have temporarily lost access to it because of failure to maintain registration, or because they have allowed the account to exceed its capacity may not cite loss of access as a reason for failing to respond appropriately to information sent to them by the University via the account.

1.4 Where programmes require students to provide a satisfactory check and/or Disclosure from the Disclosure and Barring Service and such checks/Disclosures are pending at Registration, students may be permitted to register provided the application process for the relevant checks/Disclosure has been completed; should the check/Disclosure subsequently returned prove to be unsatisfactory, the University will terminate the registration and require the student to withdraw.

1.5 Any person who fails to complete their initial student registration in accordance with Regulation 1.1 will be deemed to have declined their offer of a place to study at the University. The University reserves the right to terminate the registration of continuing students who do not complete registration in accordance with Regulation 1.1.
Amendments to these Regulations are approved by Senate. Any such amendments are identified above and will take effect from the date shown.
