

12. USE OF MOTOR VEHICLES ON THE UNIVERSITY SITE

- 12.1** No motor vehicle may be driven or parked within the University grounds unless it is licensed, insured, roadworthy and registered with the University through the Head of Security. Learner drivers are not permitted to drive within the University grounds whether accompanied by a qualified driver or not.
- 12.2** A vehicle will not be accepted for registration unless the person wishing to register it possesses a full driving licence.
If registration is granted, a permit will be issued in the form of an identification parking permit. This must be displayed on the vehicle so that it is clearly visible.
- 12.3** A permit is issued subject to the conditions notified at the time of issue, and will be cancelled if the conditions are not complied with.
- 12.4** Undergraduate students living in non-University accommodation in postal districts BA1 and BA2 will not be granted a permit except in exceptional circumstances.
- 12.5** Students living in University accommodation on or off campus may not park motor vehicles on University property, unless granted a permit, or on public roads within the City of Bath boundaries. Permits will only be issued in exceptional circumstances.
- 12.6** When a registered driver disposes of his or her vehicle the Head of Security must be notified and the permit returned to the Head of Security. If the registered driver wishes to bring a different vehicle into use a fresh permit must be obtained before doing so.
- 12.7** The University has a parking enforcement procedure, details of which can be found at www.bath.ac.uk/security/parking. Security Officers are authorised to take appropriate action under this procedure to deal with vehicles which they consider to be improperly parked; action could include the issue of a warning or civil penalty notices.
- 12.8** Drivers must observe the speed limits in force on roads within the University site, and drivers must observe the road signs for the safety of all road users. Drivers must stop when requested to do so by the Security Staff.
- 12.9** The University reserves the right to remove unauthorised vehicles and to dispose of them. The vehicle owner shall have no claim against the University if it exercises this right.
