UNIVERSITY OF BATH RESEARCH COMMITTEE: IMPACT SUB-GROUP

Terms of reference and membership: revised September 2014

Terms of Reference

1. To advise the Pro-Vice-Chancellor (Research) on the topics listed below, and report on these to the University Research Committee.

2. To develop mechanisms for sharing good practice to enhance research impact.

3. To ensure that learning from REF2014 is embedded across the University ahead of the next REF (or equivalent).

4. To advise on the development of systems for collecting and storing appropriate data on impact.

5. To advise on the development of guidance and training on enhancing the impact of research.

6. To coordinate research impact communication activities both within and beyond the University, in order to enhance the University’s international reputation for research excellence.
