4. University holiday dates are shown in their normal configurations around bank holidays but may not be definitive.

iTrent in-semester annual leave for staff in academic grades

When staff in the academic grades (i.e. from Lecturer through to Professor) request annual leave they will need to select whether their requested leave is in an in-semester or out-of-semester period. This determines if authorisation is required (it is required for leave during the in-semester period but not during the out-of-semester period).

The in-semester period is defined as the periods shown in the chart above with a white background - i.e. those marked with S (Study days), R/A and [A] days (Revision and assessment days), and W (Welcome days for new students). Therefore, when staff in the academic grades request annual leave falling within any of these dates, they should always select the in-semester option.

Leave can be booked via [Employee Self-Service](#).
