Data protection

Please read the following statements before you submit your application.

All personal data is held securely by the University and will be treated in accordance with the Data Protection Act 2018. We will not divulge the information you provide as part of your application to third parties, other than as outlined herein. We may share the information you provide as part of this application with both the Institute of Coding consortium members and with the Office for Students (OfS) to provide monitoring data and to assist with administering the awards.

I understand that the personal information I supply on this form and as part of my application will be retained by the University and shared as outlined above. I also understand that it will be used for the purpose of processing my application and that in the event that my application is successful, that it will further be retained and will form part of my student record. I consent to the University using the personal data / information I share as part of this application, to provide information and advice about the University to me as an applicant. Should I subsequently join the University, I also consent to the University using the data to inform their strategies for supporting me as a new entrant, to inform me about provision or opportunities that I may be able to access, to monitor student success and for other legitimate reasons. I also appreciate that all awardees may be expected to participate in publicity for the scholarships from time to time during the academic year.

Declaration

The statements on this form are to the best of my knowledge and belief correct. I understand that any offer of a scholarship at the University of Bath will be based upon the information given in this form and that if I am found to have given false information, the scholarship may be withdrawn.
