Time	Monday 2nd October	Tuesday 3rd October	Wednesday 4th October	Thursday 5th October	Friday 6th October
8.15	8.30 - 10.30 Doctoral Breakfast Level 3 Students' Union				
9.15					
10.15					Chemical Characterisation and Analysis Facility - Introductory Training <i>Anneke Lubben</i> 3 East 2.4
11.15					
12.15					
13.15					
14.15					
15.15					
16.15					
17.15					

NOTE: Postgraduate students who are interested in being lab demonstrators need to attend relevant teaching training. Full course details and dates, plus information on registering for courses, can be found at <http://www.bath.ac.uk/learningandteaching/rdu/courses/pgskills/pgtips/RP00136.html>

Other postgraduate training opportunities can also be found at:
<http://www.bath.ac.uk/learningandteaching/rdu/courses/pgskills/index.html>

*Library Induction: This session is aimed at new students and those who have studied here before. It will give you an introduction to library services and resources, including an overview of key databases which contain peer reviewed information that you will need for your study or research. It will also include information about open access publishing and how to manage your research data.
