The Campus is built around the main Parade which forms a central spine with Norwood House at the east end and Wessex House at the west end. The Library and Learning Centre is the University's central hub and all buildings are identified according to their east/west position in relation to it. Odd numbers in building names indicate that they are located on the northern side of the Parade, on the same side as the Library, and even numbers are on the southern side. The main pedestrian Parade is Level 2.

Please note that all University buildings, the Parade and the underdeck are smoking free areas.

Car Parking

Visitor car parking - Pay & Display: East Extension, A and G. The East car park provides a wheelchair and accessible approach to the Parade and a drop off point by 1WN also provides wheelchair access to the Parade.
