HELLO.

WE ARE DELIGHTED TO INTRODUCE YOU TO OUR CONFERENCE & EVENTS SPACES AND FACILITIES.

This guide includes a list of the spaces available and gives you an idea of our services. If you have any questions or wish to discuss your event in more detail, please do get in touch with a member of our Conference and Events team.

Let's start with the location of the University - our campus is set in 200 acres of landscaped grounds and is only 2 kilometres away from the centre of the UNESCO World Heritage Site.

The University of Bath was founded in 1966 and we quickly established ourselves as one of the UK's leading universities. Now we have an international reputation for teaching and research to be proud of and an increasing number of excellent facilities to offer.

If you're arranging an event, bringing a group to Bath, throwing a party or simply looking for somewhere to rest your head, with our three conference buildings, 35 conference rooms and over 3,500 bedrooms we're confident we have it covered.

Our campus also offers many food and drink options, from freshly cooked pizzas in our lime tree restaurant to our Fairtrade coffees in our 4W Café.

We can even host canapé receptions and formal dinners for up to 200 people.
