Collection of Royalties Data - bit.ly/3Gx8GYP

Welcome to your CLA data collection exercise. You should record all photocopying on this form between 16/01/2023 and 24/02/2023. We recommend you save this page so it's easy to find when needed.

*Please specify the type of publication.

Book

Magazine

Journal

Please enter the IS number, as well as title and publisher where known. Now add the number of people this extract will be shared with.

Please provide the following details:

Serial number (ISBN/ISSN/Unknown)

987654321

*Title

The Book

*Publisher

The Publisher

*How many people was this distributed to?

10

2

3

Please provide the page information then click submit. To send more data, simply hit the back button in your browser to reset the page.

*What page information do you have for the material re-used?

- Page range (e.g. 5 to 47)
- Individual pages (e.g. 1,4,6,7)
- Total number of pages re-used from the publication

Once you have entered all the required fields please press submit. After you have submitted your data please wait until you see a webpage confirming this form has been sent before closing it in your browser.

If you do wish to submit further responses, please click the Back button on your browser.

Thank you for taking part. Your information helps us to pay the authors, publishers and visual artists whose work is being photocopied.

If you have any questions please email us at royaltiesdatacollection@cla.co.uk or contact your CLA Royalties Officer.
