

# Taster Talk Activity

What is engineering? Can you state some applications of engineering? Why engineer? Can you describe how engineers can change the world we live in? How do we engineer? Can you identify some of the skills that engineers might need to do their jobs?

Dr Hamideh Khanbareh shares how engineers are looking to harvest energy from our surroundings to power the electronics of tomorrow.

Discussion points:

What are the benefits of generating electricity on a small scale?

How could you use small amounts of electricity to improve healthcare?
