

Taster Talk Activity

What is engineering? Can you state some applications of engineering? Why engineer? Can you describe how engineers can change the world we live in? How do we engineer? Can you identify some of the skills that engineers might need to do their jobs?

Dr Ana Lanham shares how engineers are looking to change the way we deal with our planet's most abundant resource.

Discussion points:

What challenges do engineers face when dealing with "Black water"?

What can we recover from water we flush away?
