## Biology & Biochemistry

### Summary of Graduate Destinations

Work and combined work & further study	85
Further study only	25
Unemployed <sup>#</sup>	5
Other (incl. travelling)	10
<i>Unknown</i>	45
<b>Total in Cohort</b>	<b>170</b>

**Note:** All numbers are rounded to the nearest multiple of 5.

<sup>#</sup> includes those who were 'due to start work' but not working and/or in further study.

The University of Bath has an excellent record of graduate employment, and often features near the top in league tables. A large number of employers visit the university and are keen to recruit our graduates; some target only a small number of universities, of which Bath is usually one.

Note: Data not available for Biomedical Sciences (due to small cohort sizes).

\* More than one graduate with this destination
