

## Computer Science Where have Bath graduates gone?

The University of Bath has an excellent record of graduate employment, and often features near the top in any league tables. A large number of employers visit the university and are keen to recruit our graduates; some target only a small number of universities, of which Bath is usually one.

Every year we collect information on what graduates are doing 6 months after graduation. The following shows examples of job titles, employers and further study for first degree graduates (UK and Other EU domiciled) of **Computer Science** for 2015.

Date of census: 12 January 2016.
