

Pharmacy and Pharmacology Doctoral Graduate Destinations

Full-Time UK and Other EU Domicile 2012/13 to 2016/17

Where have doctoral graduates gone?

The Careers Service provides specialist careers support for doctoral students, including 1:1 appointments available on campus and tailored web resources; see the [researchers](#) section of our website for more details.

Every year we collect information on what graduates are doing up to 6 months after graduation. The following shows job titles and employers for full-time UK and Other EU doctoral graduates in **Pharmacy and Pharmacology** leaving in the 5 years from 2012/13 to 2016/17.
