WELCOME

We are delighted to welcome you to the beautiful city of Bath. Filled with distinctive Georgian architecture and well-preserved Roman remains, it is a popular tourist destination and a UNESCO World Heritage site. The city centre is compact and very walkable, within easy reach of the University of Bath campus.

Whether you are looking for a formal reception venue, an intimate private dining experience or a breakout meeting room, there are plenty of options open to you across the city.

Bath has a thriving restaurant scene, with numerous independent bars and eateries offering a wide variety of cuisines, spaces and ambiances. This booklet provides details of many such venues that you may wish to book for a social event surrounding your conference – including historic sites such as the Pump Rooms, through to traditional British pubs and modern restaurants.

We have included information about location, available spaces and room capacities, as well as contact details for each venue.

We hope that this guide helps you to decide upon a suitable venue for your event. Please do not hesitate to reach out with any further questions to researchoffice@management.bath.ac.uk.
