Exchange students should take a minimum of 4 units (24 ECTS credits) and can take up to 5 units (30 ECTS) per semester. Home students must enrol on 5 units (30 ECTS) per semester.

Units are assessed by coursework and examinations. All exchange students are required to take all forms of assessment associated with each of their chosen units. We can only arrange alternative assessment in Semester 1, if our assessment period clashes with the start of the student's semester at home, and only at the request of the home institution.

Life on campus

Our welcoming campus is safe and friendly, with first-class arts and sports facilities. It provides a real feeling of community for those living, working and studying here. It is one of the safest campus sites in the UK and we are the first university in the country to win a national police approved security award. The campus has excellent places to eat, drink and socialise. Facilities include food shops, post office, banks, and a library open 24/7. The Students' Union forms an important part of the student experience. There are over 100 clubs and societies to get involved in and the union bar and nightclub arranges a variety of events.

Bath is home to excellent museums and galleries and hosts arts, music and food festivals throughout the year.
