

Appendix 28: First degree / Part 3 / 60-credit stages / Supplementaries

As results of a formal review of these assessment regulations by the University Senate, different Part 3 decision-making criteria will apply to students depending on when they started their programmes of study.

Students who started or re-started Year 1 of their programmes of study in 2014/15 or later will be subject to the decision-making criteria set out in Section B of this appendix, below. These criteria will also apply to any students admitted to a programme with advanced standing (*i.e.*, not starting at the beginning with all other new entrants) who, had they not been admitted with advanced standing, would have reached their current point with the cohort that started in 2014/15 or later.

All other students will be subject to the decision-making criteria set out in Section A of this appendix, below.
