BATH

MORE THAN A ROOM

Living in university accommodation gives you more than just a room. It's our goal to make student accommodation feel like home, by creating a sense of community and helping you to create lifelong memories.

FINDING YOUR COMMUNITY

Meeting new people and finding your community is just as important as the type of room you choose. With over 1,000 postgraduate students in our accommodation, you'll become part of a dynamic and welcoming postgraduate community. Our **ResLife team** is here to help you connect, offering free events throughout the year. From welcome programmes to classes, activities, UK sightseeing trips, and more, there's always something happening at no cost to you.

Our dedicated **Postgrad ResLife Ambassadors** are on hand to ensure you feel at home in your accommodation. Whether you have questions about making new connections, staying healthy, balancing your studies with personal life, or even about life in Bath, we're here to support you. You can ask us about anything from local restaurants and transport tips to the best places to relax or explore.

Beyond your bedroom and shared spaces, we've created dedicated areas for meeting others. Whether you're looking for a place to study or socialise, our **Living Lounges** and **The Virgil Building**—the student hub located in the city centre—are perfect spots to connect with others.

SUPPORTING YOU EVERY STEP OF THE WAY

We're here to help you to settle into university life as quickly and easily as possible. Our friendly **ResLife team** can help you settle in and make the most of your experience. Whether you need advice, support, or just a friendly face, our staff are here for you—in our accommodation receptions and around your accommodation.

FEELING SAFE AND SECURE

Our **Security Team** is available **24/7**, providing a safe and supportive environment whenever you need it. All our accommodations have secure card access and monitored CCTV for your peace of mind. In emergencies, or if you need support outside of regular hours, our trained security staff are always on hand to assist. They're equipped with first aid and mental health first aid training, offering welfare support and crime prevention advice. You'll often see our dedicated accommodation security team on-site, checking in and ensuring you feel safe and supported at all times.

EVERYTHING YOU NEED

We like to keep our accommodation simple. Our rent is **all-inclusive**, meaning that all your utility bills are covered by one regular payment – including **fast WiFi** in all our rooms. We have accommodation in the **city** and on **campus**, with great transport links between. Most of our students live in houses or flats with bedrooms grouped around communal kitchens or social spaces.

We offer a range of accommodation options across our managed and partnership accommodation (nominations), including shared houses, ensuite rooms and studios, so you can find a home to suit your individual needs and budget.
