#### **13.2 General Entrance Requirements**

The University maintains General Entrance Requirements for first degrees which will include at all times provisions that:

- (a) applicants should hold an appropriate range of prior qualifications. Detailed requirements, including appropriate references to international equivalent frameworks, will be specified in the admissions area of the University website. International qualifications for which general entrance requirements are not specified will be assessed by the Recruitment and Admissions Office on a case-by-case basis;
- (b) applicants' prior Level 2 qualifications will normally include a formal qualification at an appropriate level in English Language. A list of qualifications deemed to meet these requirements will be made available in the admissions area of the University website.

Departments, Schools and partner organisations may apply for exemptions from the General Entrance Requirements where they have evidence to show that the candidate has other equivalent or acceptable qualifications and/or experiences. Written cases outlining the basis on which the department, School or partner organisation believes the candidate to be qualified for admission may be submitted to the Director of Student Recruitment and Admissions, or nominated deputy. The number and nature of exemptions will be monitored by Director of Student Recruitment and Admissions and any exceptional cases will be reported to Senate on an annual basis.

Applicants must provide full and accurate information in relation to all the qualifications and personal information contained on a University application form. The University may withdraw the applications of candidates failing to do this.

#### **13.3 Programme Requirements**

Programme requirements are approved by the Senate and may specify:

- (a) the academic qualifications necessary for entry in addition to the general entrance requirements;
- (b) any particular non-academic skills or attributes required for entry together with an indication of how these will be assessed as part of the admissions process;

(c) the nature of any additional tests which may form part of the admissions process and whether selective interviews are routinely required.

Departments, Schools and partner organisations are required to publish a summary of programme requirements in the Undergraduate Prospectus and, with appropriate further detail, on their web pages.
