1. Purpose of Policy

- 1.1 The purpose of this policy is to ensure that the University applies precautionary measures proportionately, consistently, and fairly, to ensure that risks can be mitigated as fully as possible pending processes including Student Discipline, Health, Wellbeing and Support for Study and Fitness to Practise.

The precautionary measures procedure provides a mechanism to assess risks and apply precautionary measures prior to investigations taking place and any measures or sanctions being applied under other processes such as those outlined above.

The underlying principle for the application of precautionary measures is that the precautionary measures put in place should best mitigate risk and protect the parties involved and the university community.

- 1.2 The precautionary measures process should:
- Be informed by the known facts of the case and any associated risks.
 - Be conducted with due regard to the principles outlined above.
 - Ensure that clear reasons are given for decisions reached.
 - Ensure that there is clear and timely communication with the student(s) involved throughout the process, and that timelines are shared with parties involved.
 - Ensure that support is offered to all parties.
 - Ensure an appropriate level of confidentiality is maintained.
 - Ensure appropriate review in light of any developments to the case.
 - Minimise any unnecessary impact on parties involved and ensure that all parties are treated with sensitivity.

2. Scope

- 2.1 This Precautionary Measures Policy applies to:
- Student Regulation 7 – Disciplinary Procedures for Students
 - The Health, Wellbeing and Support for Study Policy
 - The Fitness to Practise Policy
 - The Dignity and Respect Policy – Student Respondents only
- 2.2 This Precautionary Measures Policy may be used in relation to other policies where it is appropriate and reasonable to do so.
- 2.3 In the case of a student being arrested, a precautionary measures panel will be convened as standard procedure.

- 2.4 In cases where a student is also an employee or casual member of staff, advice will be sought from Human Resources and due process will be followed in applying any precautionary measures.
- 2.5 Full consideration will be given to the possible implications of any precautionary measures applied; however, the overriding objective of the precautionary measures policy and process is to mitigate risk.
- 2.6 Any student who has been party to any of the above procedures can raise a concern about their application using the Student Complaints Policy (<https://www.bath.ac.uk/guides/student-complaints-policy-and-procedure/>). The SU (Students' Union) Advice and Support Centre offer independent guidance on how to raise a concern.
- 2.7 Parties to this process are encouraged to provide feedback on any aspect of it any stage by emailing studentpolicy@bath.ac.uk

- 1.3 Relevant papers, including a meeting agenda, information on the case, and risk assessment proformas, will be circulated to attendees prior to the meeting, by the Student Safeguarding Manager. 2. Structure of the panel meeting

The proforma for the risk assessment may be partly completed prior to the meeting and should be fully completed by the end of the meeting. The risk assessment will consider what actions can be taken to mitigate risks and provide appropriate support for students affected.
- 2.3 The panel will consider any risks to the wider community and other stakeholders including those external to the University. The risk assessment will consider what actions can be taken to mitigate risks and provide appropriate support for stakeholders affected.
- 2.4 Having considered the risks fully, based on the information available, the panel will determine which precautionary measures, if any, should be applied. The Chair of the Panel may apply the full range of precautionary measures with the exception of suspension from study, or exclusion from the University campus. In the case of suspension or exclusion being proposed as a precautionary measure, a recommendation will be made to the PVC by the Chair, in the form of a report following the meeting.
