3. General conditions

3.1 Awards are available to all those who meet the eligibility criteria and are not limited in number.

3.2 Awards are allocated for 2020-21 entry only. However, if you defer your studies your award will be carried over into the next academic year.

3.3 If you join the University in 2020-21 and are transferring directly into Year 2 of your studies you will not be eligible for our funding schemes as listed in these terms and conditions. Our terms and conditions state that eligibility for one of these scholarships are for those entering Year 1 of studies.

4. Academic grades

4.1 If you are accepted to the University with qualifications other than A levels, the University will determine whether or not your grades are equivalent to A*A*A* or A*A*A for the purposes of being eligible for the Chancellor's Scholarship. These equivalences for commonly taken qualifications can be found in Appendix 1 of this document and will be published online. If you are taking qualifications not listed and would like to enquire about what level would be considered equivalent then please contact, in the first instance, undergraduatefunding@bath.ac.uk.

4.2 The Doctor Shakuntala Gokhale award will be made to the highest achieving Indian student with the Indian 12th Standard qualification. We will take into account your results achieved across all subject areas of this qualification.

4.2 The University's decision on the interpretation of eligibility criteria is final and there is no right of appeal.

5. Suspensions and withdrawal from studies

5.1 If you suspend or withdraw from your studies then your award will be calculated on a pro rata basis based on the number of weeks you have been in attendance. No further funding will be given beyond your initial first year of studies or upon a return from suspension.

6. Repeating or deferring your studies

6.1 Your scholarship is only valid for your first year of studies only. Scholarship awards will not be paid if you are required to repeat your first year of studies. This includes studying for the same academic year twice even if this is for a different course. For example, if you commenced studies in Yr1 on an Engineering course in 2020-21 then transferred to Yr1 of a Biology course in 2021-22.

5.2 The Chancellor's and International Baccalaureate 50th Anniversary Scholarship Awards will not normally be taken away should you decide to defer your studies to 2021-2 from 2020-21 entry.

7. Disciplinary action and fraudulent applications

7.1 The University reserves the right to withdraw a scholarship from anyone who is found to have misled the University about any aspect of their eligibility and to seek repayment of any monies already paid to them. In such cases the University may seek to recover any money paid as a debt in the county court (in which case it may also seek to recover additional sums such as interest, court fees and legal costs). We may request at any point, for audit purposes, evidence of any criteria met that is used in determining your award.

8. Appeals

8.1 The University's decision on the interpretation of eligibility criteria is final and there is no right of appeal. You may make a complaint if you believe that you have not been considered for an award because of a procedural error, or you believe that there has been some other procedural problem with our allocation. Complaints should be made under the terms of our [Admissions Complaints and Appeals Procedure](#).

9. Donor funded scholarships and data

9.1 Donors/corporate partners who fund scholarships like to know who is benefitting from their support. For this reason, the University may give your donor/corporate partner some information about you based on your student record, information given by you in your university/scholarship application and

subsequent annual exam results. This is always done in liaison with the Department of Development & Alumni Relations.

9.2 By accepting a scholarship you are agreeing to these terms. The Department of Development & Alumni Relations will also provide you with information about your donor, as appropriate.
