WELCOME TO THE UNIVERSITY OF BATH

We're excited to welcome you to the School of Management, located on our beautiful campus on the edge of the UNESCO World Heritage city of Bath, which is famous for its Roman heritage and Georgian architecture. There are many historic locations to visit including a museum dedicated to Bath's most famous resident,

novelist Jane Austen. In fact, the city gets its name from the famous Roman baths, which you can still visit to sample the hot spring water. Because of its cultural contributions, [TIME magazine listed Bath as one of the World's Greatest Places 2021](#), one of only three UK cities to make the list.

Bath is a very compact city and so is suitable for walking around the town. There is also an excellent and convenient public transport network of buses. Below we detail various ways you can get around.

The main railway station in Bath is **Bath Spa**. There is a taxi rank outside the station, where you can get a taxi to the School of Management on campus. This will take around **10 minutes**.

It is possible to walk from the city centre to the University. However, be prepared to tackle the very steep hill!

BY BUS

You can get to the campus from Bath city centre on the following public buses:

- **U1**
- **Service 20**
- **U2**
- **Service 22**

We advise that you use the comprehensive public transport system where possible. The main university bus stop (Arrivals Square) is directly opposite the School of Management building.

During the summer months, buses run every **15 minutes** between the centre of Bath and the University. Customers can pay on the bus with a contactless debit card/mobile device, or buy tickets in advance using the First Bus app. [Timetables can be found on the FirstBus website](#), or accessed in the First Bus app.

PARKING

There are several car parks on campus – The East car park is closest to the School of Management.

- You can pay for car parking using the JustPark app, phone line or SMS service. There is a 10p fee added when you pay using Just Park. Payment for parking should be made within 15 minutes of parking at the University.
- The University's parking conditions and regulations apply to all visitors. Please take the time to read them before visiting the University.
- Parking is managed by an external company and parking fines will be issued if accurate permits aren't displayed.

We recommend using public transport rather than driving when travelling around the city and to campus - Bath operates a charging **Clean Air Zone (CAZ)** in the city centre so you may be charged if your vehicle does not meet emissions standards. Check if charges apply to your vehicle before you travel to Bath. [Check if CAZ charges apply to your car by going to the BANES council website](#).
