- Student Regulation 7 and the Student Discipline Procedure
- The Health, Wellbeing and Support for Study (HWSS) Policy
- The Fitness to Practice Policy
- The Dignity and Respect Policy (student respondents only)
- The Student Complaints Policy
- The Student Precautionary Measures Policy

You should read this form in conjunction with the [Student Appeals Policy and Procedure](#).

### Who can use this form?

Any student who has been:

- The subject to a Health Wellbeing and Support for Study process
- The subject of a Fitness to Practice process
- The responding party in the Student Discipline process
- The reporting party in the Student Discipline process
- Or has completed Stage 2 of the Student Complaints procedure

This appeal must be within 10 working days of the outcome of the case, as stated in the outcome letter. If an extension is required please contact [governance@bath.ac.uk](mailto:governance@bath.ac.uk).

### On what grounds can a decision be appealed?

Your appeal will be assessed against four specified grounds of appeal to determine whether or not it can proceed. The grounds are as follows:

- A) That there was procedural error in the conduct of the relevant process which may cause doubt as to the determination reached;
- B) That new evidence has been made available which the student could not reasonably have provided during the relevant process;
- C) That there was bias during the relevant process which may cause doubt as to the determination reached; or
- D) That the sanction or outcome imposed was disproportionate.

Students appealing as a reporting party in a Disciplinary case cannot appeal on the grounds that the sanction or outcome imposed was disproportionate.

If your appeal meets at least one of the above criteria, it will be referred to an Appeals Panel to be heard. If it does not meet any of the criteria, the appeal will not proceed and you will receive a Completion of Procedures letter.
