

Student Visa Application Guide (Inside the UK)

Last updated: 19/02/2026

1) Overview

If you are already in the UK and your current immigration permission will expire soon, or it does not allow study, you may be able to extend your Student visa or switch into the Student route from inside the UK.

You must apply online, pay the Immigration Health Surcharge (IHS) and the application fee, and verify your identity either using the UK Immigration: ID Check app (if eligible) or by attending a UKVCAS appointment.

You can apply to **extend** your Student permission to continue your current course or begin a new one, provided you have a **CAS** and (where required) you meet the **academic progression** rule. Some applicants will not need to re-evidence funds if they've been in the UK with valid permission for **at least 12 months** on the application date.

2) Documents and Information You Will Need

Prepare these before you start the online form to avoid delays.

Essential documents (required for all applicants)

- **Valid passport**
This must be the same passport that we have listed on your CAS.
- **Confirmation of Acceptance for Studies (CAS) number**
Issued by the University of Bath either once you have met all conditions of your offer if you are a new applicant or after you have [requested a CAS using SAMIS](#) if you are a current student.
- **Financial evidence (only if required):**
If you have **not** been in the UK with valid permission for **12 months or more** on the date you apply, you must meet the financial requirement. In your financial evidence you would need to show:
 - **£1,171 per month for up to 9 months (£10,539 maximum)**
 - First-year tuition fees (exact amount listed on your CAS) for new students or **any outstanding tuition fees** for the academic year for current students.

Funds must be held for **28 consecutive days**, ending within **31 days** of your application date.

Financial documents must meet UKVI requirements and include translations if not in English. If using parental funds, include:

- Bank statements
 - Your birth certificate
 - A parental consent letter confirming they will support you financially
- **Evidence of English language ability**

This may be proof of an English Language test (e.g. IELTS), a UK degree, or University assessment. If your English language has been assessed by the University, you will not need to provide evidence. Please check your CAS for confirmation.
 - **Translations of documents**

Any document not in English must be accompanied by a certified translation meeting UKVI standards.

Additional documents (required depending on your circumstances)

- **ATAS certificate**

Required only if your CAS states that your course needs ATAS clearance (usually for certain science and engineering subjects). You must obtain the certificate before applying for your visa.
- **Scholarship documentation**

If you are funded by an official financial sponsor (e.g. Chevening, Commonwealth, Marshall, Fulbright), provide your sponsorship letter confirming

 - Duration of sponsorship
 - Amount provided
 - Confirmation that your funding is confirmed
- **Parental consent (if under 18)**

Students aged 16–17 must show written parental consent and proof of relationship.
- **National identity card**

Include details if you hold one issued by your national government.

3. The Application Form

This guide will take you through each individual step of the application process. If you have any questions regarding the application that are not answered by this guide, please get in contact with [The Student Immigration Service](#) on studentimmigrationservice@bath.ac.uk.

We strongly suggest that you read the [UK Government guidance](#) and the information on the [University of Bath website](#) before making your visa application.

Extend your visa

You may be able to extend your Student visa to stay longer and continue your course or study a new course. This includes if you currently have a Tier 4 (General) student visa.

To extend your visa you must:

- be in the UK on a Student visa or a Tier 4 (General) student visa
- have an [unconditional offer of a place on a course](#) with a licensed student sponsor - shown by your Confirmation of Acceptance for Studies (CAS)
- show that your studies are at a higher academic level than your current course (called the 'academic progress requirement') - there are some exceptions

If you've been in the UK with a valid visa for less than 12 months, you'll need to [prove you have enough money to support yourself in the UK](#).

Your [partner or children](#) will need to apply separately to extend their visa. They can either apply at the same time as you, or at any time before their current visa expires.

You can also [switch to a Graduate visa](#) to stay in the UK for at least 2 years after successfully completing your course.

You can stay in the UK until you get your decision.

If you applied for an [administrative review](#) because your application was refused, you can stay in the UK until you get your review decision.

Fees

For each person, you'll need to pay:

- £490 to extend this visa
- the healthcare surcharge - [check how much you'll have to pay](#)

You'll need to have your biometric information (fingerprints and a photo) taken - there's no fee for this.

Apply

You must apply online.

As part of your application you'll need to prove your identity. How you do this depends on where you're from and the type of passport or resident permit you have.

You'll either:

- use the 'UK Immigration: ID Check' app to scan your identity document - you'll also create or sign in to your UK Visas and Immigration (UKVI) account
- provide fingerprints and a photograph (biometric information) at a UK Visa and Citizenship Application Services (UKVCAS) service point - this is to get a biometric residence permit

You'll be told what you need to do when you apply.

You'll first be asked **where you plan to live in the UK**. This will most likely be the first option if you are studying at the University of Bath.
