Education in an International Context

The University of Bath, UK, offers an opportunity to participate in the University's MA Education or Postgraduate Certificate in International Education (PGCiE) programmes. The MA Education programme comprises five units and a dissertation, while the PGCiE is awarded for successful completion of two specified MA units, followed by an Educational Enquiry unit (please check <http://go.bath.ac.uk/pgcie> for detailed PGCiE requirements with respect to unit choice). Units will be taught to mixed groups of those working towards the MA Education and those working towards the PGCiE. Each taught unit is followed by individual research and the submission of a 5,000 word written assignment; the PGCiE Educational Enquiry unit is based on independent study leading to completion of a 3,000 word written assignment.

In October 2022 the Education in an International Context unit will be offered via MS Teams to a group of teachers/educators based in Qatar. The unit, which is relevant to teachers of all age ranges (and to those registered on either the MA Education or the PGCiE programme), explores the concept of international education through a consideration of value systems and ideologies, international schools, international curricula, issues relating to students and teachers, and models for international education. It will draw on the experience of participants from both national and international contexts.

The unit sessions will be taught via MS Teams over two weekends as follows (all timings are Qatar time):

Friday 14 October 2022	11:00-14:00 and 15:00-18:00
Saturday 15 October 2022	11:00-14:00 and 15:00-18:00
Friday 21 October 2022	11:00-14:00 and 15:00-18:00
Saturday 22 October 2022	11:00-14:00 and 15:00-18:00

Please note that, while the unit is principally intended for those based in Qatar, others may also enrol if they are registered on the MA Education or PGCiE programme, and if they are able to participate via MS Teams in the sessions according to the schedule above.

Participants who are working towards the MA Education (but *not* those working towards the PGCiE) may if they wish use the Masters level credits gained by successful completion of this unit towards the **International Baccalaureate Educator Certificates:**

Please note that payment will only be required once you receive an invoice, which will provide details of how payment may be made via these different options.

Why study an MA/PGCiE unit at a University of Bath Study Centre?

The Department of Education at the University of Bath offers students a number of ways of working towards the qualifications of MA Education and PGCiE. Normally this would include the possibility of studying by distance learning (individual study online), attending our popular Summer School (June/July, in Bath – although as a result of Covid-19 this has not happened recently) and/or participating in one of our successful Study Centres around the world. Prior to Covid-19 the Study Centre mode was based on units taught by a visiting University of Bath tutor; currently virtual Study Centres enable local and international educators to share their experiences and learn together online, working with other teachers and educators in an intensive learning environment with the guidance and support of an experienced University of Bath tutor.
