MEMORANDUM

ANNUAL REVISIONS TO THE QUALITY ASSURANCE CODE OF PRACTICE

1. A revised [Quality Assurance Code of Practice](#) (QA CoP), approved by the University Learning, Teaching & Quality Committee (ULTQC) for 2019/20 is now available for implementation from **1 August 2019**. The online version is the primary source for our QA statements and any previous paper or electronic copies held should be deleted or marked as obsolete.
2. A number of factors have contributed to the amendments made to the QA CoP:
 - Decisions regarding our future approach for curriculum development, programme monitoring and programme review.
 - Approval by Senate in November 2018 of new role profiles for the Director of Teaching (DoT) and Director of Studies (DoS).
 - Periodic review, and annual monitoring requirements continue for 2019/20, as agreed by ULTQC (Paper 18/19 – 93a, minute 1197).
 - New teams and structures implemented in 2018 for recruitment, selection and admission of students.
 - Other generic updates.

MAJOR CHANGES

3. There were no major reviews of QA statements during 2018/19.

INTERMEDIATE AND MINOR CHANGES

4. Appendix 1 details the amendments that have been approved for 2019/20.
5. **Please ensure that members of staff are aware of and use the updated statements and related forms.**
6. The departments responsible for the recruitment and admission of students have jointly reviewed and revised *QA22 Recruitment, Selection and Admission of Students*. The revisions reflect the new teams and structures put in place in 2018 following the major restructures of international recruitment and postgraduate admissions.
7. The review of QA22 has also led to the relocation all recruitment guidance held within *QA31 Recruitment and Support of International Students* to QA22. As a result, the title of QA31 is updated to 'Support of International Students'.

8. For queries regarding the changes that have been/will be made please contact Academic Registry. For queries regarding the content and implementation of QA statements please contact your Assistant Registrar in the first instance:
