INTERNAL SERVICES

Department	Stand:	Description and Contact Details
Assistive Technology	33	<p>Assistive Technology is a specialised provision of DDAT, designed to support staff and students by enhancing productivity in their work or studies, promoting inclusion and accessibility, and offering specialised solutions to overcome temporary or permanent difficulties when using technology.</p> <p>Contact: via the Self Service Portal.</p>
Accommodation (ResLife)	6	<p>The Accommodation Sales and Events team at the University of Bath provides both residential and non-residential conference services for Academic and Professional Services departments. During the summer months, they also operate a hotelier business, offering accommodations to staff, members of the public, and those visiting the university. They can tailor-make packages to suit the needs of your event and provide comprehensive Event Management services.</p> <p>Contact: conferencesandevents@bath.ac.uk</p>
Carbon Action Framework (CAF) Team	4	<p>The overarching goal of the Climate Action Team is to develop and implement targeted plans to deliver the 11 Climate Action Framework Principles, guiding the University's response to the climate emergency. We collaborate with teams across the University to transition to a zero-carbon campus, tackle our scope 3 emissions, and support staff and students in making low-carbon decisions. Our efforts focus on embedding net zero thinking into all policies and aspects of the organisation, reducing the carbon impact of our research, and fostering cross-disciplinary research on the climate emergency. Additionally, we drive forward climate-related learning and teaching activities. The Climate Action Team also works with a network of Climate Advocates to ensure a cohesive, whole-institution response within departments.</p> <p>Contact: climateaction@bath.ac.uk</p>

Hospitality - Food Direct	17	<p>Food Direct supply a range of food for events, including hot and cold drinks, working lunches, buffets, confectionery & cakes, alcoholic drinks, canapés, etc.</p> <p>We produce all our food in kitchens with level 5 food hygiene ratings.</p> <p>Contact: Catering@bath.ac.uk</p>
Insurance	2	<p>The Insurance Services team at the University of Bath manages insurance matters related to university activities, including travel, motor insurance, university property, personal effects, and liability covers. They also provide specific insurance support for placement students. The team assists staff and students in understanding and managing their insurance needs.</p> <p>Contact: s.c.holt@bath.ac.uk</p>
IT Purchasing (ITP)	24	<p>IT Purchasing handles all IT procurement requirements for university departments, including laptops, desktops, mobile phones, software, and other hardware. All IT purchasing needs are managed through this team to ensure proper processes and the use of contracted suppliers.</p> <p>Contact: via the Self Service Portal</p>
Print Services	34	<p>Print Services offers a wide range of printing and copying solutions to staff, students, and visitors. Services include large format printing, binding, laminating, and production of high-quality printed materials such as brochures, posters, and business cards. They ensure all printing needs are met with professional standards and efficient turnaround times.</p> <p>Contact: print@bath.ac.uk</p>
Recruitment/HR	29	<p>The Recruitment HR team assists departments with the entire hiring and recruitment process. They provide support in advertising job vacancies, managing applications, coordinating interviews, and ensuring a smooth onboarding experience for new hires. Their goal is to help departments attract and retain talented staff efficiently and effectively.</p>

<p>Sports Development - Team Bath</p>	<p>13</p>	<p>Team Bath provides support, facilities, and opportunities for staff, students, and professional athletes. They offer access to world-class facilities, expert coaching, and comprehensive programmes to help individuals at all levels achieve their sporting goals. The team is dedicated to fostering participation, performance, and personal development across a wide range of sports.</p> <p>Contact: team-bath@bath.ac.uk</p>
<p>Staff Benefits & Rewards Team</p>	<p>35</p>	<p>The Staff Benefits and Rewards team at the University of Bath provides a range of benefits and rewards for university staff. They manage various schemes and initiatives designed to support staff well-being, work-life balance, and professional development. These include pension schemes, health and wellness programmes, and opportunities for personal growth and recognition.</p>
<p>Sustainable Food Commitment</p>	<p>3</p>	<p>The University of Bath's Sustainable Food Commitment focuses on promoting environmentally friendly and ethical food practices. It aims to reduce food waste, source local and seasonal produce, and support fair trade. The commitment extends to offering a variety of healthy, plant-based options and engaging with the campus community to foster sustainable eating habits.</p>
