1. Scope

These terms and conditions apply to new fee-paying full-time Taught Postgraduate Master's students taking up a place of study in 2024/25 entry, who are identified by the University as eligible for consideration for one of the Taught Postgraduate Master's Scholarships. They specifically apply to students from the three Faculties: Science, Engineering & Design, and Humanities and Social Sciences.

Please note that there are other scholarships schemes for fee-paying Taught Postgraduate Master's students in the School of Management which have separate guidelines. Please see University of Bath website for full details.

The allocation of the scholarship is competitive and so not all applications received may be successful. Please see below for details on how selection is made.

Scholarships are awarded in the form of a fee waiver ('discount') which is a sum of money to assist fee-paying students with tuition fees. The University allocates a waiver to your fee account in place of some of the fee liability you would otherwise have. The fee waiver is applied to your first year of study only. There is no cash alternative to a fee waiver. Scholarships cannot be deferred and are for the 2024/25 academic entry year only. Eligible candidates will be invited to apply for a scholarship by the International Student Recruitment Office.

This document outlines the full terms and conditions of this scheme and you should read these before you accept your scholarship.

It is the University's responsibility to identify potential scholarship recipients on the basis of information provided in your scholarship and study application. The University cannot be responsible for any errors or omissions in the information supplied to it and on which eligibility decisions are based. The University's decision on the interpretation of eligibility criteria is final and there is no right of appeal. Changes to study

If you change to a non-eligible programme or mode of study then your Scholarship may be withdrawn. If you make any changes to your original programme of study you must notify the International Student Recruitment Office about this as it may affect your continued eligibility.

Suspensions and withdrawal from studies

If you suspend or withdraw from your studies then you will not be eligible to receive any future payments in that academic year and your fee waiver will be re-calculated.

All scholarships paid will be calculated on a pro rata basis and any overpayments may need to be repaid to the University should you suspend, withdraw from studies, transfer to a non-eligible programme, or no longer be eligible for a particular scholarship for any other reason. In such a case, the University may seek to recover the amount of the overpayment.

Repeating, extending or deferring your studies

The scholarships outlined here will not be paid during any extension/repeat period(s) to your programme. force. There is no guarantee that postgraduate students will be eligible for funding in future years.

Changes to your immigration status

If you have a change to your immigration status, you **MUST** notify the International Student Recruitment Office immediately. We may require you to provide documentary evidence of your change in status.

If you receive notice that you are liable to be detained by the UK Home Office then your scholarship will be suspended for the duration of your detention. The University will review the support available to you to help you resume your studies if your status enables you to continue.

The University reserves the right to terminate your scholarship award and to seek repayment of any sums that have already been set off against your tuition fees in the case of any disciplinary action being taken against you. Cases will be considered on an individual basis by the Head of International Student Recruitment.

The University reserves the right to withdraw a scholarship from anyone who is found to have misled the University about any aspect of their eligibility and to seek repayment of any sums that have already been set off against their tuition fees. In such cases, the University may seek to recover any money paid as a debt in the county court (in which case it may also seek to recover additional sums such as interest, court fees and legal costs). Complaints should be made in writing to the International Student Recruitment Office by emailing postgraduate-taught-funding@bath.ac.uk.

8. Use of Data

The University may use the data/information you share with us as part of your application, to provide information and advice about the University to you as an applicant. All awardees may be expected to participate in publicity for the scholarships from time to time during the academic year.
