4. Awards.....	2
5. Deadline dates	3
6. Payment of awards	3
7. Suspensions, withdrawals, repeat study.....	4
8. General terms and conditions	4

1. Scope

These terms and conditions apply to **undergraduate** students who took up a place to study in 2012 or later, paying tuition fees of £9,000 per year or more. They apply to Placement Bursary awards made under the terms of the University's 2020-25 Access and Participation Plan.

Awards are worth up to £2,000 as a single one-off payment in your placement period.

2. Eligibility

2.1 You may be awarded a Placement Bursary if you meet the following criteria:

- you commenced undergraduate studies in 2012 or later *and*
- your course is defined as having a full-year (thick) or part-year (thin) unpaid placement period *and*
- you are in receipt of the Bath Bursary *or*
- you are in receipt of the Gold Scholarship *or*
- you are in receipt of the Cowrie Foundation Scholarship *or*
- you are in receipt of the [Discretionary Student Support Fund](#) (DSSF) (administered by the Student Money Advice Team)

3. Placement definition

3.1 For the purposes of this bursary scheme a placement is defined as:

When a student is undertaking a thick or thin sandwich course that has a full/part year placement option as an integral part of their course. These courses have defined UCAS codes that identify them as an undergraduate degree course with placement.

Placements can be made up of paid or unpaid employment, research or study abroad.

3.2 If you are in receipt of a payment that is classed as taxable income by your placement provider or country of placement, then you will be treated as if you are on a paid placement.

If you are in receipt of a paid allowance or stipend for your placement period, that is not subject to income tax, then you should be treated as if you are on an unpaid placement.

4. Awards

4.1 Awards will be automatic for Bath Bursary recipients, Gold Scholars and Cowrie Foundation Scholars, based on data held about you in your SAMIS record. There is no need to submit an application. **However, please ensure your placement type is correctly recorded in your SAMIS record.**

Your department placement team will require you to submit information about your placement via the placement task in your student SAMIS record. This will include submitting information about whether you are on a paid or unpaid placement, or whether you are receiving a stipend.

Placement type	Award
Thick sandwich course full year that is unpaid or study	£2,000
Thick sandwich course full year that is a combination of paid and study or unpaid	£1,000
Thin sandwich course part year that is unpaid or study	£1,000

4.2 Students in receipt of the DSSF will need to notify the [Student Money Advice Team](#) and [Scholarship and Bursaries Team](#) about their placement circumstances to receive the Placement Bursary.

4.3 You will not be eligible for the Placement Bursary if you are undertaking a paid placement that is subject to income tax. If you are concerned about your finances during your placement year, or any other year of study, then we would recommend that you speak to the [Student Money Advice Team](#) to discuss your finances and other possible funding options.

4.4 The Placement Bursary is subject to review and there is no guarantee that it will be available in future academic years.

5. Deadline dates

5.1 The final date for us to consider students for a Placement Bursary award is 9am on 30th November 2023. **Your placement information and SAMIS record need to be correctly updated by this date for us to determine your eligibility for a Placement Bursary award.**

5.2 Eligible students identified after this date will be considered at the discretion of the Scholarships & Bursaries Manager and Student Money Advice Team Leader. Awards may be dependent on available funds. Funding for the Placement Bursary is limited, and we cannot guarantee awards for students who qualify after this date.

6. Payment of awards

6.1 We will check your SAMIS record to confirm your placement status prior to any payment being made.

6.2 It is the responsibility of you and your Departmental Placements Office to ensure that the placement information in your student SAMIS record is accurate and complete. If you are unsure, please speak to your Placements Team. We cannot be held responsible for errors in how your placement activity is recorded in the placements task.

6.3 Awards will be paid as a single instalment for either the full £2,000 or the pro rata amount of £1,000 on 6th December 2023, **alongside the first instalment** of the Bath Bursary or Gold Scholarship. Cowrie Scholars and DSSF students will receive a standalone payment on the same day.

6.4 Payment will be made to the same bank account, as provided by you, for the Bath Bursary, Gold Scholarship, Cowrie Foundation Scholarship or DSSF. If you need to update your bank

account details, you can do so by logging into your Student SAMIS account and following the link 'enter or change financial support bank details' in the Bath Financial Support Package section.

7. Suspensions, withdrawals, repeat study

7.1 If you suspend or leave your studies prior to payment of the Placement Bursary then you will not be eligible for payment in that year. You may, however, be eligible to receive the Placement Bursary upon your return from suspension, subject to meeting eligibility criteria.

7.2 If you have received your Placement Bursary award and then suspend your studies in the same academic year, you will not receive a second Placement Bursary award if you decide to retake another placement year. In these circumstances you would need to speak with [Student Money Advice](#) to discuss other possible funding options.

7.3 The University will not seek to reclaim any bursary payments already made to you prior to your suspension/withdrawal.

8. General terms and conditions

8.1 Placement Bursary awards will not normally be terminated, nor repayment required on the basis of academic failure, but they **will not be paid during any repeat year or partial repeat year**.

8.2 The University reserves the right to terminate a Placement Bursary award in the case of any disciplinary action being taken against an award-holder. The University may also seek repayment of any Placement Bursary overpayment on a pro rata basis, should your award be terminated due to disciplinary action being taken.

8.3 Awards are allocated for placements starting in the academic year 2023/24 only. Funding for future years is subject to review and may change.

8.4 The University reserves the right to withdraw an award from anyone who is found to have misled the University about any aspect of their eligibility and to seek repayment of any monies already paid to them. In such cases the University may seek to recover any money paid as a debt in the county court (in which case it may also seek to recover additional sums such as interest, court fees and legal costs).

8.5 There is no right of appeal and the University's decision is final in relation to your eligibility for an award based on your widening participation or your academic profile. You may make a complaint if you believe that you have not been considered for an award because of a procedural error, or you believe that there has been some other procedural problem with our allocating and awarding system. Complaints should be made under the terms of our [Admissions Complaints and Appeals Procedure](#).

8.6 Please refer to the University webpages for [information about how we process student data](#). While you are a student at the University and after you cease to be a student, the University needs to collect, store, use and disclose certain data about you for purposes connected with your studies, including providing services to applicants, current students and alumni.

8.7 Each year we may survey students about our funding schemes to evaluate and inform our strategies, as well as planning for future funding opportunities. Your survey responses will remain anonymous.

8.8 Any queries relating to these terms and conditions should be addressed to the Scholarships & Bursaries Manager, Undergraduate Admissions and Outreach, University of Bath, BA2 7AY or by emailing: undergraduatefunding@bath.ac.uk

Queries about your placement status and if it will be classed as paid or unpaid should be directed to your Departmental Placement Office.
