Claudia Millar Castillo

From Venezuela

"I would recommend the IFY for any international student who feels they would benefit from a stepping stone into the University of Bath because of the skills it gave me, the time to adjust to life in the UK and the close contact I had with the lecturers."

Over **50 different nationalities** have been represented on the Bath IFY during the last 5 years.

Classes

Your 30 weeks of tuition at Bath College is spread over two semesters. Depending on your chosen progression degree, you will study a combination of three of the following subjects:

- Biology
- Business
- Chemistry
- Economics
- English for Academic Purposes (EAP)
- Mathematics
- Physics
- Social Science

You will also take classes in Introduction to Higher Education Study Skills and have regular tutorials to support your studies and personal development.

Assessment

Students are assessed by a varied combination of coursework assignments (presentations, timed essays, phase tests and written assignments) and examinations. There is an examination at the end of each semester for all subjects except Study Skills (which is assessed via a portfolio of evidence gathered throughout the year).

Accommodation

All IFY students are guaranteed an offer of accommodation at a [residential complex](#) owned and run by the University of Bath.

Accommodation will also be made available for you during Year 1 of your University of Bath degree.

TEAMBATH™

Sofya Morozova

From Russia

"During the Bath IFY we were taught in the way the lectures and materials are presented at University. In addition, we received a lot of personal support that helped our transition to Uni later. The IFY gave me my first taste of university life, empowering me with the necessary skills and knowledge to succeed."

BSc Management with Marketing
