Upcoming Events at Bath

7 September 2018: [C3Bio Centre for Biosensors, Bioelectronics and Biodevices inaugural event](#)

18 September 2018: '[Developing Cities: Flooding, Droughts and Wastewater Management](#)' by [Dr Kiran Tota-Maharaj](#) at Bath Royal Literary and Scientific Institution (BRLSI)

6 November 2018: '[Taking waste out of wastewater](#)' by [Mark van Loosdrecht](#)

Please note that all these events are free and open to all.

NextGen – Towards a next generation of water systems and services for the circular economy

WIRC@Bath is part of a new, €10M+ European project funded by the Horizon 2020 Framework Programme. NextGen aims to demonstrate circular economy principles and the role of the water cycle, as well as boost sustainability and bring new market dynamics. [Read more about the project on our blog.](#)

Team Bath Drones Marine awarded "Best Rookie" prize at the European Robotics League

In their maiden outing at the European Robotics League (ERL) Emergency Robotics Challenge, Team Bath Drones Marine were awarded the "Best Rookie" prize. Team Bath Drones Marine (TBDM) is the University of Bath's newest student competition team, based in the Faculty of Engineering and Design and made up of students from the Departments of Mechanical and Electrical & Electronic Engineering. [Read more.](#)

Marcelle McManus promoted to Professor of Energy and Environmental Engineering

Congratulations to Marcelle McManus from the Department of Mechanical Engineering, who has been promoted to Professor of Energy and Environmental Engineering. Her research has achieved international recognition, particularly in the field of bioenergy. [Read more about Marcelle and other academic promotions.](#)

Dr Ian Walker wins epic 4300km North Cape trans-European bike race

Associate Dean for Research in the Faculty of Humanities & Social Sciences and member of WIRC, [Dr Ian Walker](#) has won the second edition of the [North Cape trans-European 4000k bike race](#) with a time of just 11 days.

Ian set off from Lake Garda in Italy on Saturday 28 July and travelled by bike, completely unsupported, to North Cape, deep within the Arctic Circle, crossing

BBSRC Anaerobic Digestion Network Annual Early Career Researcher Conference

In July 2018, PhD students Vicky de Groof and Ioannis Markidis attended the [BBSRC Anaerobic Digestion Network Annual Early Career Researcher Conference](#) at the University of York. Anaerobic digestion is a relatively small research field - [read Vicky's blog about her experience at a smaller conference](#).

Upcoming Conferences

16 - 19 September 2018: Tokyo, Japan, [IWA World Water Congress & Exhibition 2018](#)

30 September - 4 October 2018: Valencia, Spain, [16th International Conference of the IWA Specialist Group on Wetland Systems for Water Pollution Control](#)

14 - 17 November 2019: Salerno, Italy, [2nd WaterEnergyNEXUS International Conference](#)

You can find all IWA events on their [website](#).
