

Workwear, uniforms, footwear & PPE

Scope

Working with the University of Bristol, Bath & NE Somerset & North Somerset Councils, we have put together a workwear & PPE framework agreement to cover all our requirements.

For orders under £2.5k you can approach any of the suppliers on the Lot relevant to your requirement for a quote or to place your order. For orders over £2.5k, you may approach all of the suppliers on the relevant Lot for quotes – selecting the winning bidder based on your award criteria.

You must only use the suppliers relevant to the Lot for your requirements, so for example, you cannot go to a Arden Winch on Lot 2 for uniforms (Lot 1) or footwear (Lot 2).
