

A guide to applying for a Student Visa - Overseas

All prospective international students coming to study in the UK for a course lasting more than 6 months, including those from the EU, EEA (except Ireland) and Switzerland who have not secured other immigration status, need to obtain a Student visa before they arrive in the UK to study. If you do need to apply for a Student visa and you are not already in the UK, you must submit an online application via this [link](#).

This guide will take you through each individual step of the application process. If you have any questions regarding the application that are not answered by this guide, please get in contact with [The Student Immigration Service](#) on studentimmigrationservice@bath.ac.uk

Click **Apply now** to begin the application:

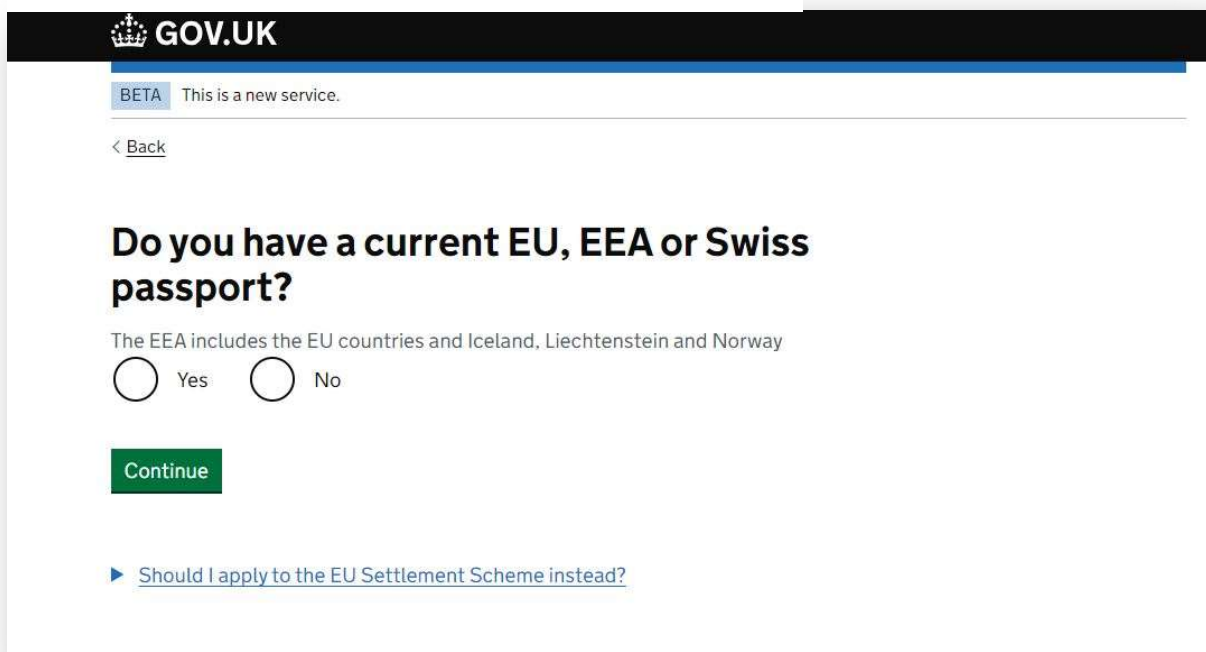

The screenshot shows the GOV.UK website page for 'Student visa'. At the top, there is a navigation bar with the GOV.UK logo, a menu icon, and a search icon. Below the navigation bar, there is a breadcrumb trail: 'Part of Study in the UK on a Student visa'. The main heading is 'Student visa'. To the left of the main content, there is a 'Contents' section with a list of links: Overview, Your course, Money you need, Knowledge of English, Documents you'll need to apply, Apply online, Your partner and children, Extend your visa, and Switch to this visa. The main content area is titled 'Apply online' and contains the following text: 'You must apply online for a Student visa. Check which documents you'll need to apply.' Below this, there is a section titled 'Apply outside the UK' with the text: 'As part of your application, you'll need to prove your identity. How you do this depends on where you're from and what type of passport you have. You'll either: give your fingerprints and a photograph (biometric information) at a visa application centre; use the 'UK Immigration: ID Check' app to scan your identity document - you'll also create or sign into your UK Visas and Immigration (UKVI) account.' Below this, it says 'You'll be told what you need to do when you apply. Once you've started your application, you can save your form and complete it later.' At the bottom of this section, there is a green button with the text 'Start now >' which is circled in red. To the right of the main content, there is a 'Part of Study in the UK on a Student visa' section with a 'Show all steps' link and a list of five steps: 1. Check if this visa is right for you (Show), 2. Prepare the evidence you need (Show), 3. Apply from outside the UK (Show), or Apply from inside the UK (Show), 4. Check what you can bring into the UK with you (Show), 5. Check what you need to show at the UK border.

To begin, you will need to select **where you are planning to live in the UK**. This will most likely be the first option if you are coming to study at The University of Bath.

The screenshot shows the GOV.UK logo at the top left. Below it is a blue bar with the text 'BETA This is a new service.' The main heading is 'Where are you planning to live?'. There are two radio button options: 'England, Scotland, Wales or Northern Ireland' and 'Jersey, Guernsey or the Isle of Man'. A green 'Continue' button is located below the options.

You will then need to choose which **type of passport** you are planning to use for your Student visa application. If you select **'yes'** to the EU, EEA or Swiss passport question, you will then be taken through a series of screens in which you will be asked to set up a UKVI account. You will be given more information on how to download the [UK Immigration: ID check app](#) which you will use to upload your biometric information instead of having to attend a biometric appointment at a Visa Application Centre. Once you have created your UKVI account, you will be able to proceed with the rest of the application, please continue to read this guide from page 5. Otherwise, if you do not hold a passport from one of these countries, please select **'no'** and proceed to the next step.

The screenshot shows the GOV.UK logo at the top left. Below it is a blue bar with the text 'BETA This is a new service.' There is a '< Back' link. The main heading is 'Do you have a current EU, EEA or Swiss passport?'. Below the heading is the text 'The EEA includes the EU countries and Iceland, Liechtenstein and Norway'. There are two radio button options: 'Yes' and 'No'. A green 'Continue' button is located below the options. At the bottom, there is a blue link: '▶ [Should I apply to the EU Settlement Scheme instead?](#)

You will then be asked to confirm if you can attend an appointment at one of the centres listed.

 **GOV.UK** **Visas and Immigration**

Select a country to provide your biometrics

To complete your application, you must provide your biometrics (fingerprints and facial photograph). This may involve attending a visa application centre (VAC) operated by one of our commercial partners.

We need to know which commercial partner will manage your biometrics appointment. This is so we can transfer you to the correct website after you have submitted your visa application.

Enter the country where you would like to provide your biometrics. This will usually be the country you are in now. If there is no VAC in your selected country, you will be able to choose an alternative location.

If you believe you are unable to provide your biometrics at any location, you should still choose a location. You will then be told how to proceed.

 **GOV.UK** **Visas and Immigration**

Check available visa application centre locations

 **To check the availability of services at your preferred application centre you can find more information by visiting the website of our commercial partner [VFS Global](#) who operates our centres around the world.**

You can find all VAC locations by checking the '[Find a visa application centre](#)' page on GOV.UK. They are also listed on our commercial partners' websites.

You will not be able to change the location after you have submitted your application.

There may not be a VAC in your preferred location. Try an alternative location if this is the case.

You must select a location even if you believe you are unable to provide your biometrics at any location.

I have identified the location where I will provide my biometrics (or I am unable to provide my biometrics at any location).

I want to choose a different location.

We strongly suggest that you read the [UK Government guidance](#) and the information on the [University of Bath website](#) before making your visa application.
