

Undergraduate Sample Expenditure Budget 2024-2025 (38 Weeks)

Each student's spending will be personal to them, based on accommodation choice, any additional course costs, whether they stay in their accommodation during Easter and Christmas vacations (or save money when they return home) and how much they choose to spend on food, and social activities International students can use www.oanda.com/currency/converter/ in order to convert the figures in the budget into their national currency.

This budget does not include tuition fees, flights home or visa charges. The blank column is to help you plan your own personal budget.
